

Reading Book Box Books

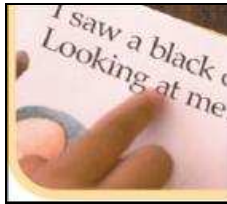

Help your child learn the fundamentals of reading! In your child's homework folder this week please find a paper book that we have been working on in class during our reading groups. Have your child read this book to you. This can count as days read on your reading calendars.

While they are reading, have your child do the following:

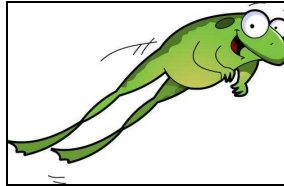

- Use their **pointer finger**. (good, careful pointing)

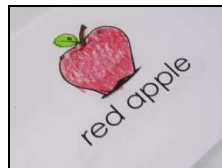

- Touch under the first sound** of each word.

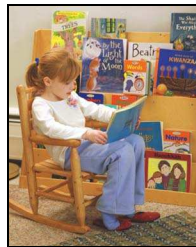

- Hop over the **spaces**.

- Use the **pictures** to help them find out what the words are.

- Read the book **multiple times**.

- Place the book in their "**Book Box**" to store, and reread later.
