Mr. Krokos's Kindergarten Monthly News Letter

## September 2017

### Welcome students and parents!

It was a pleasure meeting you all and I want you to know that there is no job I would rather have! This year, your child and I will be spending many hours in the classroom working with each other. Together, as parents and teacher, we can truly provide a comfortable, nurturing, and challenging environment for your child.

My promise to you is that I will consistently put the best interest of your child first, and always welcome your input and support. I also encourage you to contact me with any concerns, questions, or comments you might have. You can always leave a message for me at the school office, write me a note, or e-mail me at [mark.krokos@csdcomets.org](mailto:mark.krokos@csdcomets.org).

That being said, here we go! This month we will be working on all our classroom routines and getting to know each other. Be sure to check the class website at [trueambition.net](http://trueambition.net) for all our classroom happenings. I will try to update the site weekly. You can also find out more about me, and how our classroom works. There is a *Just for Kids* section with some great websites to help reinforce what we are learning throughout the year. You can also learn about *Kid Writing*, phonics based spelling, and how to help your child grow as a beginning writer. Plus there is lots of other information about our classroom. Check it out!

If you haven't already done so be sure to sign up with [remind.com](http://remind.com) to get text message updates on your phone. I can use this service for important event alerts, individual progress reports, and website updates.

Together we can make this a great year, enjoy!
