Mr. Krokos's Kindergarten Monthly News Letter

December 2017

I heard a bird sing
In the dark of December,
A magical thing,
And sweet to remember:
"We are nearer to spring
Than we were in September."

~ Oliver Herford

Another month has passed and I am sure December will fly by! Hopefully everyone had a safe and happy thanksgiving. Parent teacher conferences went well. Remember if you ever have questions I would be happy to schedule a conference at anytime. We can always conference by phone or email as well.

Thank you to all those who came to our Open House! Again, if you didn't get a chance to see all the projects the videos are now available on the class website. Be sure to check back frequently for updates.

This month the students will be working on their kid writing skills as the class works toward writing more independently in their monthly journal. They have been doing a great job so far! Please keep reading with and to your child every day. The more they see and hear the more they will learn!

We will be moving right along in Math and continuing to work on addition!
