

Bright Ideas

Mr. Krokos's Kindergarten Monthly News Letter

March 2018

No winter lasts forever; no spring skips its turn.

~Hal Borland

Spring is in the air.....sort of!! Students will be learning about adjectives this month. You can help out by playing games like "I spy" with your child and encouraging them to use describing words in their speaking and writing. We will also continue to review both nouns and verbs and how they work in

sentences. The students' writing is really coming to life as they begin to learn their sight words, and develop their kid writing skills. I always ask the children to read their work to you when they get home. They should be very proud of how far they have come since the first day of kindergarten!

In Math we will be working on numbers beyond 20, reviewing addition/subtraction, and begin working on shapes. Please make sure to continue to practice writing numbers, as well, as counting forwards and backwards.

Remember I welcome all of your input. Should you have any feedback please feel free to contact me at mark.krokos@csdcomets.org or by phone.

On the Web:

Below are some great sites where your child can practice concepts of addition and subtraction

<http://www.abcya.com/addition.htm>

http://www.learninggamesforkids.com/math_addition_games.html

http://www.mathplayground.com/index_addition_subtraction.html

Here are some addition and subtraction songs we sing in class!

[Add'em Up - Harry Kindergarten Music](#)

[Adding and Subtraction – Harry Kindergarten Music](#)

[My Dog Addition – Mr. R's Songs for Teaching](#)

[Addition Song +2 - Dream English Kids](#)

In the works:

- Adjectives
- Mrs. Wishy Washy
- Dr. Seuss's Birthday
- Spring

Feature Photo:

Cole worked hard on his kangaroo diagram and it came out wonderful!

Important Dates:

03/02 - Dr. Seuss's B-Day

03/06 - Hoops for Hope 6pm

03/17 – St. Patrick's Day
