Mr. Krokos's Kindergarten Monthly News Letter

May 2018

Among the changing months, May stands confest.
The sweetest, and in fairest colors dressed.

~James Thomson

Here we go!

The year is quickly coming to a close and your
Kindergartener is nearing ever closer to 1st grade!

In Language Arts this month we will be reviewing many of the concepts that we covered during the year including concepts of print, phonemic awareness, comprehension, independent sentence writing with kid writing, and parts of speech. Remember to keep encouraging your child to do their best! Keep practicing their weekly poems and reading their journals when they come home.

In Math we will be reviewing addition and subtraction, number sequences, and place value. Students will also continue to skip count by 2s, 5s, 10s, and be able to recognize numbers to 100.

As always, I welcome all of your input. Should you have any feedback please feel free to contact me at mark.krokos@csdcomets.org or by phone.
